2. High level contacts with direct access to funding sources (i.e. corporations, foundations, high net worth individuals)
3. Naturally bent to sales/fundraising

## OPPORTUNITY

1. Direct impact on funding goals
2. Potential for funding commissions
3. Networking growth within the NTS & NTF organizations

# Bring Meaningful Change in Lives of Children

TOGETHER we can:

- **Support the mental well-being of K-12 students:** Help address and heal the mental health challenges faced by students.
- **Connect with like-minded leaders:** Collaborate with others who share your vision and goals.
- **Champion mental health in schools and communities:** Advocate for better mental health resources and support systems.
- **Drive systemic change for future generations:** Influence policies and practices to create lasting improvements for the well-being of future generations.
